Lesson Purpose

Use this workbook while completing Lesson 7. Learn about AI risks, ethical considerations, privacy, bias, and how to use AI responsibly.

Before You Begin

- I completed Lesson 6.
- I understand AI opportunities.
- I am ready to learn responsible AI use.

My Main Goal

What do I want to understand about AI ethics and responsible use?

Guided Exercise 1

List three benefits of AI and three potential risks.

Guided Exercise 2

Explain why privacy, bias, and human oversight are important when using AI.

Guided Exercise 3

Describe three ways you can use AI responsibly in your work or studies.

Practical Activity

Ask an AI assistant about an ethical issue related to AI. Summarize its response and write your own opinion.

Prompt Practice

Prompt: "Explain AI ethics, bias, and privacy using simple real-life examples."

Key Takeaways

Write the three most important things you learned.

My Practical Action Step

What will you do before Lesson 8 to use AI more responsibly?

Completion Checklist

- I completed every exercise.
- I understand key AI risks.
- I know how to use AI responsibly.
- I am ready for Lesson 8.

Reflection

Which AI risk concerns you most, and how can it be reduced?
