

LESSON 11 WORKBOOK

AI for Writing and Content Creation

Module 2: Using AI Tools

Name		Date	
Writing Project		Status	■ Not Started ■ In Progress ■ Complete

Lesson Purpose

Learn how AI can help generate, improve, edit, and organize written content while maintaining accuracy and originality.

Before You Begin

- I completed Lesson 10.
- I understand basic prompting.
- I will edit AI-generated content before using it.

My Main Goal

Exercise 1

List five writing tasks AI can help you complete.

Exercise 2

Rewrite a paragraph using AI and compare it with your original version.

Exercise 3

Identify three situations where human editing is still essential.

Practical Writing Activity

Use ChatGPT (or another AI assistant) to draft a 300-word article on a topic of your choice. Review and improve it before finalizing.

Prompt Practice

Try this prompt: "Act as a professional editor. Improve the clarity, grammar, and structure of the following article while keeping my original meaning."
