### Lesson Purpose

Learn how AI can support affiliate marketers by helping with product research, keyword research, content planning, email campaigns, and performance analysis while creating trustworthy content.

### Before You Begin

- ☐ I completed Lesson 18.
- ☐ I understand the basics of affiliate marketing.
- ☐ I will disclose affiliate relationships and review AI-generated content for accuracy.

### My Main Goal

---

---

---

---

---

---

## Exercise 1

List five ways AI can help an affiliate marketer create better content.

---

---

---

---

## Exercise 2

Choose one product or service and use AI to generate a review outline or comparison table.

---

---

---

---

## Exercise 3

Describe how AI can help improve SEO, email marketing, or social media promotion for affiliate content.

---

---

---

---

## Practical Affiliate Marketing Activity

Select an affiliate product you would recommend. Use AI to create a content outline, draft introduction, or FAQ section, then edit it to make it accurate, balanced, and helpful.

---

---

---

---

---

## Prompt Practice

Prompt: "Act as an experienced affiliate content strategist. Create a beginner-friendly product review outline that highlights benefits, limitations, comparisons, FAQs, and ethical affiliate disclosures."
