Welcome

This lesson will help you choose an online income method that matches your skills, interests, available time, and long-term goals.

Learning Objectives

- Understand different online income methods.
- Match methods to your strengths.
- Compare time, skills, and earning potential.
- Choose one method to begin with.
- Prepare for Lesson 10.

Lesson Summary

There is no single 'best' online income method. The right choice depends on your experience, interests, available time, budget, and goals. Choosing one method and mastering it is usually better than trying many at once.

Knowledge Check

1. What factors should you consider before choosing an income method?

2. Why is focusing on one method important?

3. Which online income method fits you best?
