Module 2 – Choosing Your First Income Method

Lesson 10: Freelancing for Beginners

Workbook ID: MMOA-M2-L10

Student Information

Student Name: _____

Email: _____

Date Started: _____

Date Completed: _____

Instructor: _____

Welcome

This lesson introduces freelancing and explains how beginners can start earning by offering valuable services online.

Learning Objectives

- Understand what freelancing is.
- Learn the benefits and challenges.
- Discover beginner-friendly freelance skills.
- Know where freelancers find clients.
- Prepare for Lesson 11.

Lesson Summary

Freelancing means working independently and offering services to clients instead of being employed full-time by one company. Beginners can start with skills such as writing, graphic design, virtual assistance, web development, video editing, or social media management.

Knowledge Check

1. What is freelancing?

2. Name three beginner freelance skills.

3. Where can freelancers find clients?

Practical Exercise

Tick the freelance skills that interest you:

- Writing
- Graphic Design
- Virtual Assistance
- Web Development
- Video Editing
- Social Media Management
- SEO
- AI Services

My Freelance Goal

The freelance skill I want to learn:

Why I chose it:

Action Plan

- Complete Lesson 10
- Choose one freelance skill
- Research beginner learning resources
- Create a 30-day learning plan
- Continue to Lesson 11

Reflection Journal

What excites you most about freelancing?

What is your first step?
