Lesson 25: Improving Your Digital Skills

Workbook ID: MMOA-M4-L25

Student Information

Student Name: _____

Email: _____

Date Started: _____

Date Completed: _____

Instructor: _____

Welcome

This lesson focuses on continually improving your digital skills so you can increase your value, earn more, and stay competitive in the online world.

Learning Objectives

- Understand lifelong learning.
- Identify skills to improve.
- Create a personal learning plan.
- Measure your progress.
- Prepare for Lesson 26.

Lesson Summary

The most successful online earners never stop learning. By improving your digital skills, you increase the quality of your work, expand your opportunities, and build confidence. Small improvements made consistently lead to significant long-term growth.

Knowledge Check

1. Why is continuous learning important?

2. Which digital skill do you want to improve next?

3. How will you measure your progress?

Practical Exercise

- Complete one online lesson
- Practice for 30 minutes
- Read one industry article
- Watch one tutorial
- Apply one new skill

My Skill Improvement Plan

Skill I want to improve:

Resources I will use:

Action Plan
